## Bowral High School Feedback Forum

Dear Parents and Caregivers,

We have an opportunity to contribute to a joint research project being undertaken between the Department of Education's Communication and Engagement team and Bowral High School. This is a significant opportunity to have your say.

The research is taking place to gauge the expectations parents have of their local high school. The research will be used to improve communication and address the needs of primary school parents.

This forum will take place on Thursday, September 13th from 5pm-6pm in the Bowral Public School Library.

If you are interested in attending please return the slip to Mrs Curran by Tuesday, September 11<sup>th</sup>.
