K/1 Silver Term 4 Newsletter.

Dear Parents,

Welcome to Term 4.

I hope everyone had a relaxing and enjoyable break. We are going to have another busy and enjoyable time together.

This term is a reporting term. You will receive reports towards the end of the term and you will then be able to make an appointment to see me to discuss your child's results if required. Please feel free to email me, call or make an appointment to come and see me throughout the term if you have any questions or concerns regarding your child.

I will continue to send our fridge facts sheet home each week via email so you know what is happening in the class. Remember to check the newsletter and our class page on the website for extra information.

We will begin our literacy/maths groups on Tuesday, Wednesday and Thursday mornings at 9.15 - 10.15 in Week 2.

If you would like to volunteer for Christmas craft afternoons, these will run on a Wednesday 2-3pm each week from Week 7. If you would like to help at this time please let me know.

Our topics are as follows:

Science: Year One - Sounds Sensational Kindergarten - On the Move

Geography: Year One and Kindergarten - Places and Spaces

PDHPE: Safe Living

We are continuing our lessons in phonics instruction (LIPI), Year One will begin to bring home a sheet called a LIPI Mad Minute. There are instructions that will go home with this sheet. Please add this learning into your nightly reading routine.
